Letter of Deficiency (LOD) DAM #061.02  
Issued on July 10, 2001

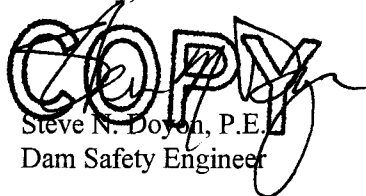

Dear Mr. Cote:

As a result of our phone conversation on August 1, 2006 confirming that removal of the trees and brush occurred on July 31, 2006, the Department of Environmental Services (DES) has determined that the referenced LOD is considered complete and will be closed. Enclosed is a copy for your reference.

DES appreciates your compliance.

If you have any questions or comments, please contact me at 603-271-3406 or write to the Water Division at the address listed below.

Sincerely,
